Description

17.5m offshore pilothouse passage-maker with proven cruising history. Built by respected boat builder Kerry Alexander in 1995 for a well known and experienced boating family, she has a comprehensive specification and excellent equipment list.

With a 5.5m beam and displacement of 40 tons, this 17.5m small ship has excellent seakeeping qualities.
The hull is strongly constructed in steel to the deck level and painted with the best epoxy coating systems available, with a composite timber and fibreglass superstructure from the decks up.

A 3 cabin layout forward plus a 2 berth crew cabin aft, twin level cockpit, pilothouse saloon and helm station, flybridge and walk in engine room and stabilisers - this vessel is set for offshore or local cruising.

A recent refit and paint job and with a large list of extras this is a must see vessel.
