Description

"Historic Tall Ship SOLWAY LASS"

One of the best charter boats in the Whitsundays has come onto the Market!!
Solway Lass a 100-year-old square-rigged masterpiece.

How would you like to purchase a share in one of the most established vessels in the Whitsundays?
The current owners are selling the boat into a Unit trust with 10 individual shares available, each share will give you exclusive rights to participate in the use of the vessel as well as a share of the returns.

Solway Lass will be fully managed by a qualified marine and Shore crew for the owners, the vessel comes with all the permits and licenses to operate in the Marine Park and National Park islands 365 days of the year.

Solway has been operating in the Whitsundays for over 20 years and has a remarkable history both here and abroad. The operation has two distinct summer and winter programs to maximize its occupancy and yearly return.

Shared ownership via a managed Unit trust and a crew of qualified professionals must be the best way to get involved in the burgeoning tourist trade of the Whitsundays.

If you would like to know more or receive a prospectus, please contact the listing Agent
