Description

Introducing the remarkable 1991/2022 Cruiser Espirite 2980, a vessel that has undergone a comprehensive transformation through a major refit in 2022. Perfectly suited for the avid offshore and game fishing enthusiast, this boat is equipped with twin shaft drive turbo diesel Volvo Penta 200hp TAMD41B engines, ensuring both power and reliability for your aquatic adventures.

Step aboard to experience the epitome of craftsmanship and functionality. The fly bridge boasts a custom teak helm station, adding a touch of sophistication, while all-new marine control systems with controls both up and down, along with fresh cables, shaft seals, rudder bearings, and deck armor flooring, ensure seamless operation and comfort.

Notable enhancements include a custom hard top providing shelter from the elements, and all stainless steel work completed by Southern Stainless within the last two years, attesting to the vessel's quality and durability. Navigation is a breeze with dual Garmin 9" screens and an Airmar 1kw medium chirp transducer, ensuring precise navigation and fish-finding capabilities.

Performance is further elevated with two new turbos from MTA Turbos, overhauled injector pumps and injectors, and reconditioned or replaced heat exchangers, intercoolers, oil coolers, and gearbox coolers—all completed in 2022. Additional features include a Reelax 550 outriggers, Garmin VHF, and a Wet Sounds stereo system with Fusion amplifier for onboard entertainment.

The hot water system has also been recently replaced, ensuring that every aspect of this vessel is meticulously maintained and ready for your next expedition. With the seller's strong motivation, having already acquired their new boat, this presents an exceptional opportunity to own a vessel that has undergone a thorough overhaul, refit, and rebuild. With its twin diesel engines and shaft drives, the 1991/2022 Cruiser Espirite 2980 is poised to deliver unparalleled performance and enjoyment on the water.
