Description

Hustler 50 Monster

Located in Braeside, Melbourne, VIC

Introducing the Hustler 50 Monster - the epitome of speed and comfort on water. With well over 2000 horsepower, it is the only vessel of this configuration in the world and is one of fastest and most impressive vessel in Australia. If you want to be recognised as "one of a kind" and stand out from the crowd, keep reading as this is the vessel for you.

Designed and built by Hustler Powerboats in the USA, the Hustler 50 Monster boasts an advanced hull design which ensures an ultra-smooth ride, even in rough waters, providing you with unmatched comfort and stability. Powered by triple 604cin Merlin V8s speeds of over 100 miles per hour are standard. Combine this with an amazing multi coloured exterior, with a functional and comfortable interior, featuring amenities such as an Island Bed, 2 Full length Couches, Head, Shower and Galley and you are in control of a vessel that very few would ever get to experience.

With an original build cost of over USD\$1.7M (AUD\$2.5M) and given that there is little that hasn't been updated from the original build, including over USD\$200k in 2020 on the triple engines and the Arneson drives, this boat represents great value for money.

This Hustler 50 Monster is perfect for the discerning boating enthusiast who wants the best of both worlds - speed and comfort. Whether you want to use it on the Bay, in the Harbour, on the Broadwater or Offshore, cruising with friends and family, having fun or just making a statement, the Hustler 50 Monster is a boat that will provide it all.

Being one of a kind is not for the faint hearted, so if want to experience the adrenaline rush of the ultimate boating adventure contact us now to register your interest and get full technical specifications.
