Description

2004 Riviera M430 Sports Cruiser – “Riveting”

This 2004 Riviera M430 Sports Cruiser is a great example of the quality and craftsmanship that Riviera is known for. The M430 is regarded as the ultimate sports cruiser in the 40–50ft range—beautifully crafted and well designed.

Fitted with new Raymarine and MerCruiser SmartCraft electronics, air conditioning, and Fusion stereo with helm control, Riveting has all the creature comforts for overnight stays or weekend getaways. The layout includes twin cabins, a galley, saloon, and a full-size head—ideal for entertaining or relaxing with the family.

Powered by twin MerCruiser 496 HO Magnum V8 8.1L 425hp petrol engines with Bravo 3 Sterndrives. Legs, engines, and generator have been fully serviced, including replacement of all clamps in the engine bay.

Impeccably maintained and extensively upgraded over the last five years, Riveting is fitted out for the entertainer at heart. Features include a BBQ, full fridge and freezer, bar fridge in the cockpit, and ample entertaining space. Upgrades include through-hull cooling for the engines, rudder reference gauge, reversing camera, three new hatches, underwater lights, and a beautifully refinished full teak deck. Additional features include new fridges in the cockpit and galley, European rear cover and speakers on the swim deck. Also included are Riviera-branded accessories—mats, champagne and wine glasses.

Extras: SUP rack, solar panel, custom stainless steel BBQ, and fishing table rack on the swim deck—the list goes on.

Full storm covers included, with swim deck and windscreen wraps.

Out-of-water survey completed in March 2025.

Located on Lake Macquarie, Newcastle
