Description

Fully refurbished, including a BRAND NEW engine, electrical and all new quilted diamond upholstery throughout.

With a heritage tracing back to 1861, Chris Craft is synonymous with producing visually stunning boats and high-performance machines. If any boat defines Chris-Craft, it is the Corsair series. Large enough to comfortably navigate the bays, but small enough to not warrant high maintenance costs. With a brand new Volvo Penta V8 300hp Engine with the all-new Volvo DPS duo prop stern drive, you'll find yourself getting to your destination not only stylishly but quickly.

The layout consists of a small cuddy cabin forward which is great for storing all your gear or providing a place for a quick nap out of the sun plus a toilet. Moving into the cockpit you'll find leather trim, teak flooring and high-quality fixtures and fittings everywhere. The two bucket seats forward are comfortable and secure while at speed and the U-shaped guest seating is big enough for another 6 adults. Cockpit refrigeration, mini bar, lunch table, new Fusion entertainment and GPS at the helm mean this boat is ready to enjoy now! The boat is also equipped with Bimini sunshade that stores away when not in use.

Available for inspections now!
