Description

All Hargrave motor yachts start life as custom built vessels reflecting their owners specific requirements but MABUHAY LIMA is certainly one of the most highly specified yachts built by Hargrave over the past ten years. MABUHAY LIMA was originally commissioned by an owner who spent his professional career in marine publishing studying cruising yachts from every major builder in the world in order to bring the highest level of expertise to the design and building of his own vessel.

MABUHAY LIMA has a very user friendly and flexible layout with a generous master stateroom, two double staterooms, a twin stateroom with a Pullman berth and if the convertible double in the Sky Lounge is included she can sleep up to 11 guests plus crew. The tasteful decor aboard MABUHAY LIMA is of exceptional quality, with furniture, carpet, window treatments, upholstery, bed covers, etc selected and supplied by the highly respected firm of boat interior experts at Shelly of Fort Lauderdale in close consultation with her owners. MABUHAY LIMA is ready to cruise, just add your personal items, friends and family and set sail!
