Description

Ray White Marine are pleased to present our newly listed 2007 Sunseeker Predator 62 to the market.

This stunning yacht offers exceptional luxury and comfort, featuring three beautifully designed cabins that accommodate up to six guests.

This Predator 62 has had extensive upgrades and maintenance over the past four years. In 2020, the engines were completely removed from the hull and serviced, and repairs were made to the aft section of the yacht. In 2023, the deck's Gel Coat was fully renewed and repainted, also a brand new Fusion sound system was fitted.

The yacht's internet connectivity was also updated, and the interior furnishings were improved with high-quality custom-made mattresses, curtains, and blinds.

All bedding, towels, and onboard inventory were replaced with new items, while the original Sunseeker glassware and cutlery remain onboard. In 2024, a new hydraulic teak passerelle was installed, and in May, the yacht underwent anti-fouling and out-of-water maintenance.

The interior teak was completely renovated, and the fire safety system was reviewed and certified. Additionally, the generator has recently been serviced and inspected.

A 2016 Model 385 Williams Tender is available by separate negotiation.

The forward VIP cabin boasts a double bed with an ensuite bathroom, while the starboard side cabin includes twin Pullman-style bunk beds and additional storage.

The full-beam Master Stateroom, located amidships, offers a spacious ensuite, generous storage, and large wardrobes.
