Description

An excellent example of a Riva 115 Athena.

BABOUSHA built by RIVA in 2008 to the design of Mauro Micheli is in excellent condition. She is perfectly maintained by the Owner and permanent crew.

She can comfortably cruise at a speed of 23 knots with a range of 680 nautical miles, and has a max speed of 27 knots. Her elegant and stylish interior features the best quality furnishings and offers accommodation for 10 guests in 5 spacious and luxurious staterooms. This luxury motor yacht has plenty of space for outdoor relaxing and alfresco dining.

Her 10 years RINA class survey put her in better than new condition.
