Description

2012 Halvorsen 44 Coastal Cruiser –REDUCED FROM \$555,000 AUD

A stunning example of Halvorsen's rich legacy in Australian maritime history, this 2012 Halvorsen 44 Coastal Cruiser combines exceptional efficiency, luxury, and long-distance cruising capabilities. Built on the trusted semi-displacement hull and enhanced with modern systems, this yacht is perfect for couples or families seeking comfort and performance on extended coastal adventures.

Boasting Naiad fin stabilizers for unmatched stability, an upgraded Cummins QSC 8.3 500HP engine with only 27 hours post-rebuild, and expansive entertaining spaces, this vessel is the epitome of quality craftsmanship and practicality. The large teak hydraulic swim platform, spacious aft deck, and voluminous lazarette provide all the features needed for relaxed and efficient cruising. With a fuel burn of just 25L/hr at 10-11 knots, this yacht delivers exceptional range and capability.

Highlights include a new Onan 7kva generator under warranty, reverse cycle air-conditioning throughout, and a Raymarine electronics package featuring radar, GPS plotter, autopilot, and fishfinder. Accommodations are equally impressive, with a luxurious aft master cabin featuring a private ensuite, a guest bunk cabin, and a fully equipped saloon-level galley.

Specifications:

- LOA: 48ft | Beam: 12ft | Draft: 3ft
- Fuel: 2,000L | Water: 900L
- Naiad fin stabilizers | Bow and stern thrusters
- Cummins QSC 8.3 500HP engine (27 hours post-rebuild)
