Description

RWM is proud to present to you exclusivley available the 2012 Model PERSHING 64 "SANTIAGO"

LOCATION - SYDNEY

The Pershing 64 is the epitome of beauty and comfort, starting from the stern area with its functional tender launching and towing system. The tactile and visual perceptions are supreme, thanks to the onboard liveability and the attention to detail that characterize all environments. This Pershing 64 is a three guest-cabin 2 ensuites, 1 crew cabin with ensuite.

Those who are unfamiliar with sailing but love speed on the road can compare this to an extreme supercar. But there is only one way to experience the thrill of speeding over the sea at 46 knots on a 33.35-ton yacht: to climb aboard the Pershing 64.

Best of technology, best of control. With its 1524 HP MTU engines, the Pershing 64 can reach a top speed of 46 knots. intense performance is always combined with the fun and pleasure of cruising.

In the Pershing 64, everything is impressive, starting with its look. At first glance, the line of hull and superstructure impart a sense of speed. The aggressive profile and sporty spirit are enhanced by the cut of the hull windows, an unmistakable sign of the "Made by Pershing" design and an extraordinary source of light, the full-beam owner's cabin amidships.
