Description

Extended Hydraulic Platform, Upgraded Engines, Hydraulic Bow & Stern Thruster, Water Maker, Upgraded Fridges, Larger fuel tanks for extended trips away Plus Much More!

This 2014 model Horizon E73 was factory fitted with every option you could ever need and would be one of the best vessels on the market today, with all the comforts of your luxury home plus much more.

This Horizon has everything you need to cruise the waters in style and comfort if you are looking for weekends away or long stays this boat is well equipped and ready to go. With a comfortable Cruise Speed of 8-10 Knots using 60 -90 LPH approx, this vessel is very economical for its size and volume. The owner is very fastidious when it comes to maintenance and upkeep on the vessel, a diver every 6 weeks checks the running gear, he has paid over \$15,000 last service to have the propellers and shafts balanced to increase fuel economy plus much more. The engine room is one of the best I have stepped onboard.

Horizon E 73 "Justified" Options Installed.
