Description

The Azimut Atlantis 43 combines Italian styling, impressive performance and a versatile layout in a beautifully designed sports cruiser.

SPECIAL PACKAGE OPPORTUNITY: Pura Vidas Orakei Marina berth is also available for sale, with the boat and berth available together at a reduced combined price of NZD $1,250,000.

Pura Vida is a well-presented 2017 example with just 260 engine hours. The large cockpit is designed for entertaining, with generous seating, air conditioning, an opening hardtop and full wrap-around covers with windows for year-round use.

Below deck, Azimut has made excellent use of the space. The forward master features a double berth and private ensuite, while the aft cabin has its own ensuite and three berths, configurable as three singles or a double and single. The saloon table also drops to create an additional double berth for family and guests.

Twin Volvo Penta diesel engines with joystick drive and a bow thruster make close-quarters handling straightforward. The hydraulic swim platform and dedicated tender garage are standout features for a 43-footer, making launching and retrieving the tender simple while keeping the cockpit and platform clear when stowed.
