Description

Built by Rayglass in August 2019 and after a summer on the water chasing the AC 36 boats around the Hauraki Gulf, we are proud to present two Rayglass 10m Protector RIB's looking for their new venture. Built to survey and in MNZ charter, coupled with twin 315HP diesel Yanmar inboard engines, these boats make for an ideal workboat and open up to 40 Knots.

At the stern is the enclosed engine compartment with double electronic opening hatch's. Built for carrying passengers at high speed, the cockpit has been fitted out with 4 Shark suspension seats.

The helm station boasts a Simrad Evo 3 display with radar and AIS receiver, twin Simrad RS40 VHF's, electronic throttle controls, trim tabs, bow thruster control and engine instruments.

Forward of the helm station is an opening hatch which houses the battery bank, flushing sea toilet and plenty of storage space.

Features:

- Twin Yanmar 315HP inboard diesel engines
- Yanmar ZT370 Stern Legs
- SP60 Bow thruster
- Simrad Evo 3 Chart Plotter
- Simrad Radar
- Simrad AIS receiver
- Simrad RS40 VHF Radio X2
- Anchor, chain and warp
- Full safety equipment
- Electric flushing sea toilet

We have 2 identical boats available for sale together or separately.

Pricing is exclusive of GST (if any)
