Description

2023 Ferretti Yachts 670 with every option and a full 2-year whole boat warranty, ready for immediate delivery.

This 2023 Ferretti Yachts 670 is straight out of the shipyard and ready for her new owner. No expense was spared during the build process with upgraded options to include; 1200HP MAN Engines, GYRO Stabilizer, Bow and Stern Thruster, Upgraded SIMRAD Display at the Helm and Flybridge and Premium Sound in all areas.

This Ferretti 670 is one of very few boats under 70' with a proper 4 stateroom 3 head layout. On the main deck, the 670 has a wonderful outlook from the saloon lounging and dining areas, with the galley forward between the saloon and the helm. Outside, the 670 offers some superb seating and lounging spaces for her size. The 25m² flybridge is the best in its class, and includes the upgraded hardtop. Up front, almost the entire foredeck is given over to a delightful seating area with sofas, tables and large sunbeds. The aft deck, nicely shaded by the flybridge for al fresco dining, leads down to a massive stern platform that can be raised and lowered in and out of the water to launch a tender.

Handling the 670 is a particular pleasure, as it has Ferretti Yacht's new electro-hydraulic steering system which is as light as a sportsboat and also very precise. For precision manoeuvring that will astound onlookers, this FY670 has the added option for joystick control capable of spinning the boat on the spot or manoeuvring it sideways! She also features upgraded Twin 1200HP MAN Engines with a cruise speed of 25 knots and top speed of 32 knots.

Don't miss this opportunity to beat the build times and secure this 2023 Ferretti Yachts 670.
