Description

EXCLUSIVELY FOR SALE: 2023 PPC Marine Stealth 50

The 2023 Stealth 50 by PPC Marine is a testament to cutting-edge Australian design and engineering, delivering an unmatched fusion of speed, luxury, and versatility. Built for discerning owners, this 50-foot centre console catamaran offers expansive entertainment areas, a sleek aerodynamic hull inspired by Class 1 Offshore Race Boats, and premium finishes throughout. Whether for private use or commercial charter under its 2C Survey Certification, the Stealth 50 is designed to impress with style, performance, and practicality.

Powered by twin 600HP V12 Mercury Verado engines featuring two-speed transmissions and counter-rotating propellers, the Stealth 50 achieves exhilarating speeds of up to 50 knots while offering exceptional fuel efficiency and handling. Effortless cruising at 30 knots and stability at rest make it the perfect platform for day trips, entertaining, or charter operations, licensed to carry 22 passengers. Designed and built in Australia, this vessel represents unmatched craftsmanship and innovation.

Onboard, the Stealth 50 offers three luxurious cabins with ensuites, fully air-conditioned interiors, and expansive outdoor spaces for entertaining or relaxing. Premium amenities like hand-laid Burmese teak floors, three upholstered sunbeds, a dining space for eight, and a high-end JL Audio sound system ensure ultimate comfort and style. Its advanced technology includes Skyhook docking controls, twin 19-inch Simrad navigation screens, and CZone electrical systems for effortless control.
