Description

Entirely manufactured at the Sunreef Yachts' facilities in the city of Gdansk, the 49m multihull marries cutting-edge engineering and radical naval design. The tri-deck concept incorporates extremely vast outdoor living areas made possible thanks to the yacht's broad 17m beam. The yacht will be operated by 17 crew. Luxurious accommodation is provided for up to 10 guests. The low drag and efficiency provided by the vessel's twin-hull design will allow an autonomy of over 5000nm with 90 000L of fuel capacity. Powered by twin 3400 HP engines, the catamaran superyacht will carry three tenders and a wide selection of watertoys and PWC's.

Features

Designer	Sunreef Yachts
Builder	Sunreef Yachts
Length (m)	49
