Description

The 60 Sunreef Power is a versatile and modern motoryacht offering extreme comfort, seaworthiness and complete freedom for customization. With her contemporary and sporty look, she follows the design guidelines of Sunreef Yachts' new Power range consisting of the 60 Sunreef Power, 70 Sunreef Power, 80 Sunreef Power and 100 Sunreef Power. A smart and easily manoeuvred luxury catamaran, she is a perfect choice for navigating both with and without crew. With her impressive beam, the 60 Sunreef Power boasts a vast, semi-open saloon. Blending seamlessly with the aft cockpit, the interior main deck lounging and dining space is entirely customizable and filled with sunlight from both the skylight and panoramic glazing. The generous volumes within the hulls of the 60 Sunreef Power can be easily customized to match any navigation plan and lifestyle. The alfresco relaxation areas of the yacht include a large bow terrace and an aft cockpit with plenty of space for dining and lounging. The aft hydraulic platform provides a fantastic spot for sunning and enjoying water sports. With an unmatched level of comfort, the flybridge of the 60 Sunreef Power can house a spa pool, a bar, a dining area and oversized sunpads. Thanks to an innovative aft garage and aft platform, the 60 Sunreef Power takes her tender, jet ski and toys anywhere she goes.
