Description

The 70 Sunreef Power continues the legacy of Sunreef Yachts' seaworthy and fully-customizable motoryachts. A dynamic and elegant luxury craft, she belongs to the shipyard's new range of power catamarans including the Sunreef Power, 70 Sunreef Power, 80 Sunreef Power and 100 Sunreef Power. The vast main deck saloon of the 70 Sunreef Power blends seamlessly with the aft cockpit, creating a large, semi-open dining and sunning area. The skylight, panoramic glazing and wide sliding door let plenty of sunshine into the fully-customizable interior. The generous volumes within the yacht's hulls offer infinite options for a bespoke layout. The crew quarters and galley can be located in the aft and accessed exclusively from the cockpit for more privacy on board. The 70 Sunreef Power boasts a large bow terrace with freestanding furniture and a lounge protected from sun and wind. The aft cockpit provides an alfresco dining space close to the water as well as a great spot to enjoy water sports with easy access to toys and PWC's. The yacht's flybridge offers an unrivalled level of comfort with more than enough space for a spa pool, a bar, a dining area and oversized sunpads. Thanks to her innovative aft garage and hydraulic platform, the 70 Sunreef Power can easily store and launch the tender and jet ski anytime.
