Description

MAJOR PRICE IMPROVEMENT!

Ray White Marine New Zealand is excited to present this impeccably maintained Azimut 55 Flybridge.

Designed by Stefano Righini and built in Italy by Azimut Yachts, VOLTAIRE is an incredible example of the only Azimut 55 fly available on the market in Australasia.

Imported from Azimut Hong Kong, VOLTAIRE has been professionally maintained since new. Big volume, high performance and economical cruising coupled with her high spec, low hours and spotless interior make VOLTAIRE the obvious choice for buyers looking for a new boat option without wait times or shipping costs.

The 55 fly was the first of the new fly models to feature the desirable well-appointed galley-aft design, with extra-large windows for increased light. Below deck comprises of 3 comfortable staterooms, a full beam master cabin with ensuite, forward double VIP with ensuite that doubles as day heads/ second head for the mid ships twin cabin.

VOLTAIRE comes into her own when entertaining is on the cards. The expansive flybridge includes a large dining area, wet bar/grill, drinks fridge and floor space comparable to a much larger yacht.

The hydraulic platform at the stern allows for quick and convenient access to the tender whilst reserving space below deck for a sizeable skippers cabin with its own heads.

Powered by twin MAN i6 800hp v drives, VOLTAIRE cruises at a comfortable 27 knots and opens up to 31 knots in comfort thanks to the Zipwake auto trim system.

Features:

- 2 x Man i6 800hp vdrive engines
- Upgraded 17.5kw onan generator
