Description

The continuous research for unique project solutions, both for the structure of the vessels and their interior, is one of the characteristic traits of the shipyard. CRN has developed its own projects with innovate designs as well as realized projects provided by the client's themselves, in collaboration with the best yacht designers, architects and engineers from all over the world.

Established in 1963 under the name of "Costruzioni e Riparazioni Navali S.r.l.", CRN joined the Ferretti Group in 1999, and builds fully-custom steel and aluminium displacement mega-yachts measuring 40 to 90 meters.
