Description

Genesis 360 Targa - The Iconic All-Round Kiwi Sport-Cruiser, Perfect for Families or Weekend Escape

Step aboard Goldfinger, a turn key ready Genesis 360 Targa, and its easy to see why this iconic Kiwi design holds its value. With its proven performance, smart layout, and solid local build quality, the 360 Targa offers a versatile platform perfect for coastal cruising, relaxed weekends away, or days out with family and friends.

Powered by a single Volvo D6 310hp engine (serviced prior to sale), Goldfinger delivers excellent efficiency with significantly lower running and maintenance costs compared to the more common twin-engine setups. Paired with a bow thruster, close-quarters manoeuvring and docking become simple and stress-free, ideal for new or experienced skippers alike.

The intelligently designed deck and interior layout make the most of every inch, offering both space and functionality. On deck, enjoy generous, all weather, ventilated exterior seating, a cockpit fridge, expansive underfloor storage, a dedicated fishing station, a large swim platform, and a built-in BBQ area. Down below, the two-cabin layout features a comfortable forward double berth and a versatile aft cabin that doubles as a lounge or additional sleeping space. The fully equipped galley includes a double stainless-steel sink, 2nd fridge and gas stovetop, while the enclosed head with shower and onboard TV ensures overnight stays are both practical and comfortable.

Plus, Half Moon Bay Berth, and 2.3m Tender Available
