Description

Hunter 430 "Anescape"

The Hunter 430 is capable of handling a stiff breeze, while the interior emphasises space and comfort. An abundance of solid timber trimmings, intelligent layout and plenty of storage especially needed for live-aboard yachtsmen and ocean voyagers. The Hunter 430 was built as a functional fast cruiser.

Anescape has recently had a major refit including a new engine, rigging, electronics and covers. Most items were either refurbished or replaced, Anescape presents very well and would be hard to replace for the asking price.

Electric winches and a huge cockpit allow for easy handling when shorthanded sailing, Anescape demands your consideration.

If your looking for a fast well-designed vessel to cruise on an extended stay or simply enjoy on weekends an inspection is a must.

Call the listing agent for a full inventory on this fine vessel.
