Description

The all new Lannika 68 presents an exciting opportunity to secure one of the newest luxury motor yacht brands to arrive in New Zealand. Offered as the official demonstration vessel and fully imported with New Zealand taxes paid, this 68ft flybridge motor yacht is available now for immediate delivery in Auckland.

Designed by renowned British studio Dixon Yacht Design the Lannika 68 combines contemporary styling, impressive internal volume, and practical long range cruising capability. Powered by twin 900HP Scania engines, the yacht delivers smooth and efficient cruising with speeds of up to 24 knots.

The layout has been designed with owner enjoyment and entertaining in mind, featuring expansive outdoor living spaces, a spacious enclosed flybridge, and large light filled saloon with aft galley opening into the cockpit. Accommodation comprises of a full beam master with private access, forward VIP double cabin and guest twin cabin each featuring its own en-suite. An additional utility cabin is located on the lower deck with washer/dryer. Premium finishes and high end appliances throughout reflect the builders focus on modern luxury and comfort.

Having only recently debuted in New Zealand at the Auckland Boat Show, this vessel presents a rare chance to step into a near new, turnkey 68ft motor yacht offered at exceptional value with a full boat warranty.
