Description

For Sale by Auction - 7th June, Auckland, NZ

Embark on a journey of unparalleled luxury and adventure aboard the remarkable Sea Breeze 3 yacht. Crafted by renowned shipbuilders Millkraft, this 105-foot masterpiece redefines elegance and sophistication on the open seas.

SEA BREEZE III has a fascinating past with some colorful characters at the helm. Built between 1974 and 1976 by Millkraft in Brisbane, it was the brainchild of Keith Williams, an Australian entrepreneur with a knack for Greek mythology. He named it ULYSSES, setting it on its maiden voyage with a spirit of adventure.

After Keith, it found its way to Sir Leslie Thiess, then New Zealand businessman Graeme Hart, each leaving their mark on the vessel. In 2008, Andy Haigh took the reins, giving it another makeover. Then, in 2019, Simon Greenwood and Charlotte Devereux took over, bringing it back to New Zealand for a thorough refit.

Now, under the banner of Boutique Superyachts, SEA BREEZE III offers a mix of old-world charm and modern luxury. Its history shines through with vintage touches like old phones and original furniture, reminding us of its rich heritage.
