Description

A Rare Whitsunday Opportunity...

The widest berth currently available for sale in the Whitsundays, this 30m multi hull berth with a 96 year lease is a one of a kind and you may not find one ever again. Located in the exclusive Port of Airlie Marina in central Airlie Beach the berths are right next to the beach and are a short walk to the main street restaurants, shops, lagoon and newly constructed ferry terminal. Recent government investment in the main street and an improving tourism industry add up to a sound investment.

This is your chance to secure a rare and premium property in the Whitsundays. They are not going to build any more of these!!
