Description

SOLD

.

With one fastidious owner from new, this Rayglass Legend 2800 is turn-key ready for the start of the summer and Americas Cup. Footprints has been dry stacked from new and has full Rayglass service history.

Powered by a VW 3 litre V6 diesel engine, Footprints cruises at 24 knots and opens up to 40+. The deep and long hull design means she punches comfortably through waves and hops up onto the plane at low speeds giving great fuel economy.

With a 300-litre fuel tank, spacious double, separate heads and vast cockpit space, Footprints makes for a perfect long weekend getaway.

Tamaki Marine Park dry stack storage lease is transferable to the new owner.
