Description

Riva Iseo Super - A Masterpiece of Modern Elegance

The Riva Iseo Super redefines luxury day cruising with unmatched sophistication and contemporary innovation. At 27 feet, this compact marvel is the ultimate blend of Italian artistry, high-performance engineering, and superyacht-level refinement.

Crafted for discerning owners, the Iseo Super features enhanced power, ultra-premium finishes, and state-of-the-art navigation, making it ideal as both a standalone day cruiser or a lavish tender to a larger yacht. Its mahogany and carbon fiber detailing, seamless infotainment systems, and convertible cockpit space elevate every journey—whether you're exploring secluded bays or entertaining in style.

Key Features:

-

Upgraded propulsion for a smoother, faster ride

-

Advanced digital helm with integrated touchscreens and smart systems

-

Iconic Riva detailing in hand-varnished mahogany and stainless steel

-

Convertible sunpad and ergonomic seating for comfort and style

-

Trailerable design for ultimate freedom and flexibility

-

Powerboat (Inboard Engine)

- The Iseo Super is equipped with a high-performance inboard engine, offering powerful and smooth propulsion for both inland and coastal cruising.

-

Volvo Penta D4 (300A HP) with stern drive

-

Capable of reaching speeds over 40 knots

-

Joystick control and electronic steering for precision handling

A celebration of heritage and innovation, the Riva Iseo Super is not just a boat—it's an expression of prestige, passion, and performance.
