## Description

Now available, this 2013 Riviera 63 Enclosed Flybridge presents a rare opportunity to step into a highly capable, well-resolved vessel without compromise.

From the moment you step aboard, the sense of scale and purpose is immediate. The layout flows seamlessly from cockpit to saloon and up to the enclosed flybridge, creating distinct yet connected spaces for entertaining, relaxing, or taking command.

The saloon is the social hub, filled with natural light and connected effortlessly to the cockpit, forming a true indoor-outdoor setting. The galley is perfectly positioned to link these spaces, complemented by a well-integrated bar that adds both function and versatility.

Below, three well-proportioned cabins, multiple bathrooms, and practical utility spaces make extended time on board easy and comfortable. Its a layout designed for real use, not just occasional stays.

The enclosed flybridge offers a quiet, elevated helm with excellent visibility. Open the sunroof or step aft, and it quickly becomes another entertaining space while remaining highly practical for manoeuvring.

The cockpit showcases the boats versatility, fully equipped for serious fishing yet equally suited to entertaining. Its a space that adapts effortlessly to how you want to use the boat.

Powered by upgraded MAN 1550hp V12s, performance is confident and composed, whether cruising the coast or heading offshore. She delivers the capability expected of a vessel in this class.

Finished with a striking blue hull and thoughtfully upgraded throughout, this Riviera 63 presents as meticulously maintained and ready for immediate use.

Opportunities like this are limited. A Riviera 63 Enclosed Flybridge presented to this standard offers immediate enjoyment today, while remaining a strong alternative alongside new build options for those weighing up their next move.
