Description

The Sunreef 50 is an all-around compact sailing yacht ideal for exclusive getaways, charter and transoceanic adventures. Her clever bridge deck and superstructure design allow for a superior level of comfort onboard whereas the generous teak use, high bulwarks and classy lines underscore her modern style with a classic edge. Her saloon opens both onto the comfortable bow terrace and the yacht's cockpit which is extended with a hydraulic aft platform. The hulls provide impressive volumes to set up a custom layout including airy, luxurious guest cabins and an opulent master suite with a walk-in dressing, desk, sofa, retractable TV and an immense bathroom. While housing the main helm, the large flybridge is definitely dedicated to leisure with more than enough space for movable furniture, a fully-equipped wet bar and large sunpads.
