#### **Description**

The Sunreef 80 is an all-around sailing leisure yacht ideal for exclusive getaways, charter and transoceanic adventures. This model boasts a combination of exterior and interior areas easily flowing into one another. A clever bridge deck and superstructure design allow for a superior level of comfort onboard whereas the generous teak use, high bulwarks and classy lines underscore her modern style with a classic edge. With a completely fresh superstructure concept, the Sunreef 80 gains a saloon plan with an outstanding potential for customization. A vast, central lounging space with a panoramic view and endless layout possibilities, it opens both onto the bow terrace and cockpit. The bow benefits from a cozy lounge, well shielded from sun and wind. To the aft, the saloon merges with the generous cockpit extended with a large aft platform. All the areas combined form a universal, open environment where flexibility and freedom reign. While housing the main helm, the 54m² flybridge is definitely dedicated to leisure with more than enough space for movable furniture, a Jacuzzi, fully-equipped wet bar, a barbecue and large sunpads. The hulls provide impressive volumes to set up a custom layout including airy, luxurious guest cabins and an opulent master suite with a walk-in dressing, desk, sofa, retractable TV and an immense bathroom. A perfect setting to unwind and relax after a long day in the sun.
