## Description

Turn key and ready to go in time for summer, Ray White Marine is proud to present this Windy 37 Grand Mistral.

World renowned for their quality and sea keeping abilities, this well maintained version is no exception. 'Motorvoid' was re-powered in 2016 with twin Hyundai diesel S270 stern drives with only 200 hours. The deep V hull allows for a comfortable cruise speed of 29/30 kts and opens up to a max speed of 35-37 kts.

Stepping on board welcomes you to an open transom with BBQ/grill and walk-through access to the spacious cockpit with ample seating around a well sized table which drops to create a spacious day bed/ additional double berth. Moving forward brings you to a raised helm area which provides great visibility of the whole boat. Above the helm station is a an electric retractable sunroof allowing for great airflow in the cockpit and an elevated vantage point for the helm.

Drop down into the saloon and enjoy a second well sized dining area and well equipped galley with a brand new fridge/freezer. Forward of the saloon is a double cabin with a custom Fleximar mattress, ample storage and a wall mounted TV. To the rear of the saloon and under the cockpit is the second double/twin cabin with a second access door to the spacious heads.

Since been in NZ, Motorvoid has been stored on a dry stack in Auckland with her previous owner, and the last 2 years on lake Taupo in fresh water.

Viewings available in Taupo. Owner open to trade offers with something smaller on a trailer i.e Merry Fisher 795, Rayglass 2800 etc.
